Please verify any information in person at Car Credit Nation.

» Air bags, dual-stage frontal driver, dual-depth frontal passenger with passenger sensing system, driver and right-front passenger side impact and front and rear outboard head curtain (Head curtain side air bags are designed to help reduce the risk of head and neck injuries to front and rear seat outboard occupants on the near side of certain side-impact collisions. Always use safety belts and the correct child restraints for your child's age and size. Even in vehicles equipped with air bags and the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and child safety seat instructions for more safety information.)

» Safety belts, 3-point, driver and right-front passenger (Center position lap belt is included when 6-passenger seating is selected.)

» Safety belts, 3-point, rear, all seating positions

» Door locks, rear child security

» LATCH system (Lower Anchors and Top tethers for CHildren), for child safety seats in all rear seating positions

» Tire Pressure Monitoring System
